Challenge Rules:

- Challenges are for anyone who wants to participate, not just kids.
- Let us know in your video/picture submission who did the work and who helped out
- We aim to put all submissions on our youtube channel <https://bit.ly/STEAMTubeVids> (aka STEAMtube) but reserve the right to refuse and/or to curate a smaller selection for publication if necessary, e.g. if we are totally swamped or content is deemed inappropriate.
- You can obviously do the challenge and not submit anything - but we would love to see your creations
- **Most importantly have fun!**
