

Green Energy Art Competition

Seascapes of the Future

with STEAM Education Ltd & DP Energy / Iberdrola

Green Energy Art Competition - Seascapes of the Future with STEAM Education Ltd & DP Energy / Iberdrola

To celebrate the delivery of the Green Energy and Climate Action Education Programme to hundreds of primary school students in Wicklow & Wexford, and Waterford & Cork, DP Energy/ Iberdrola and STEAM Education are inviting participating classes to create their own artistic representation of offshore wind energy in the seascapes of the future!

Art Competition: Open to children in primary school classes who completed STEAM Education Programmes supported by DP Energy /Iberdrola in the school year 2021/2022.

Theme: “Green Energy: Seascapes of the Future”.

Judges will be looking for creative representations and interpretations of offshore wind energy seascapes on A4 or A3 paper/card.

Extended Deadline: For receipt of submissions is Friday 29th of April 2022

Prizes: One School in Each Area will Win a School Mural!

The 2 areas are Wicklow/Wexford & Cork/Waterford

School Mural painted by a commissioned artist with the help of the winning artist/class!
Winning Artist will receive €50 Eason voucher.

*T&C's apply relating to value, size and timing

Winners will be announced at a virtual event, time and date to be confirmed.

Invite links will be sent to participating schools closer to the time.

How to Enter

Please notify Aibhlín O'Leary, STEAM Education of your class's intention to enter by Monday April 25th on **0877704958** or **Aibhlin.oleary@steam-ed.ie**

Entries should be posted to the following address: Aibhlín O'Leary, STEAM Education, Unit 2, John Dunlop Building, Marina Commercial Park, Centre Park Road, Cork, T12 YFH1. Entries must have arrived at the above address by **Friday 29th of April 2022**.

Late arrivals cannot be processed.

Entries must have the completed application form [last page of this document] included in the post with the art works. All entries from one class/school can be posted together but each one needs a signed entry form.

Competition Rules

- The competition is open to all children in a primary school participating in a DP Energy-supported STEAM Education Programme in primary school academic year 2021/22*
- Entries may be completed in school or at home but all entries must be the original work of the child submitting it
- Entries may be submitted on A4 or A3 paper/card; there are no restrictions on media used to draw/paint/other. Artwork should be submitted flat or rolled.
- All entries must have a completed application form securely attached, signed by parent/guardian
- Max 1 entry per child; entries will not be returned after submission, all entries will be the property of STEAM Education and DP Energy/Iberdrola who shall also be the owner of the copyright. STEAM Education and DP Energy/Iberdrola will not accept liability for loss or damage to any work submitted.
- All entries along with artists' details (name, school, etc.) and photographs/videos of the artists may be featured on STEAM Education and DP Energy/Iberdrola websites and social media platforms, as well as media outlets. Consent for such use must be given by a parent/guardian in the application form.
- A panel of judges will decide on the winners; the panel's decision will be final and no correspondence will be entered into regarding their decision

*T&C's for Prizes:

- Mural will be painted by artist commissioned by STEAM Education and DP Energy/Iberdrola with the assistance of the winning artist/class
- Mural size will be a maximum of 8 square metres
- Mural painting must be completed by end of academic school year 2021/22; mural painting will take place during school day(s) most likely in June 2022
- Mural design will be inspired by the winning competition entry; final mural design will be created by the commissioned artist and signed off on by winning school before painting commences
- All those who take part in painting the mural must give consent for their photo/video to be used with their details (name, school) on STEAM Education and DP Energy/Iberdrola's websites, social media platforms and in media outlets
 - The winners' schools will be contacted upon announcement of the competition results to commence planning. The winning schools will identify a suitable wall for the mural and will supply the commissioned artist with photos/videos of same. The winning schools will facilitate any priming work which may be needed prior to painting the mural

About Us

STEAM Education Ltd is an Irish education organisation with a mission to inspire kids to love learning and to get curious about the world around them. STEAM delivers innovative, hands-on programmes integrating science, technology, engineering, mathematics, and using arts and creativity to really bring lessons to life!

DP Energy is a renewable energy company based in Buttevant, Co. Cork. With operations based around the world it is at the forefront of developing sustainable and environmentally friendly energy projects. **Iberdrola** is a major energy provider in Ireland and is a world leader in wind and renewable energy production. Together DP Energy and Iberdrola are currently developing the **Shelmalere** Offshore Wind Farm off the coast of Wicklow and Wexford and the **Inis Ealga** Marine Energy Park off the coast of Cork and Waterford. These projects will create vast quantities of green energy and will result directly in a reduction of Ireland's CO2 emissions.

* If you are unsure if your class is eligible, please contact Aibhlín O'Leary at Aibhlin.oleary@steam-ed.ie
